

Support for local residents with hearing loss from Cambridgeshire Hearing Help

Cambridgeshire Hearing Help provides NHS hearing aid maintenance services for local residents who face barriers to accessing mainstream NHS audiology services because they are older, frail, have other disabilities and/or live in rural areas.

The charity runs 43 free community-based NHS hearing aid maintenance drop-in sessions across the county. At these sessions they will clean and re-tube your NHS hearing aids, supply you with NHS hearing aid batteries, and offer information/advice about hearing loss. All you need to do is find out what days and times your local sessions run, and drop-in. You do not need to make an appointment. For more information please visit: <https://www.cambridgeshirehearinghelp.org.uk/core-services/community-nhs-hearing-aid-maintenance-sessions/>

They also provide free home/residential home NHS hearing aid visits for those who are housebound or in a residential homes. They will clean and re-tube your NHS hearing aids, supply you with NHS hearing aid batteries, and offer information/advice about hearing loss, in your own home. Please contact them to arrange a visit.

Other free services they provide include:

- NHS hearing aid batteries by post
- Hearing loss awareness-raising talks to community groups
- Lip-reading classes in Cambridge & signposting to other classes
- 'Living Well with Hearing Loss' workshops for those with a newly acquired hearing loss
- Peer support & signposting to other peer support groups
- Rewarding volunteering roles
